Subject: Buoys at SJRWP site
Date: Tuesday, January 22, 2013 4:15:02 PM

Hi Gary-

I drove by the pits earlier this afternoon. I think that is the first time I have been there during daylight hours since the buoys were deployed. I noted that buoys terminated at the NE corner of the pit area. Have y'all considered continuing them down the east side of the pits to the SE corner? If that is feasible, it might keep out boaters more effectively.

Thanks-
Scott
